ABOUT

I'm a passionate UI/UX Design Enthusiast skilled in crafting intuitive, responsive interfaces through wireframing, prototyping, and high-fidelity mockups using Figma. I focus on clean design, usability, and accessibility to deliver seamless and user-centered digital experiences.

EXPERIENCE

UI/UX | WordPress Developer Intern2025

Intern at Elephant in the Boardroom Philippines

Designed and developed the Quisha's Kitchenette Restaurant website using Figma and WordPress, featuring a responsive and user-friendly UI/UX to showcase the restaurant’s menu, ambiance, and services effectively.

Collaborated with the lead designer to contribute to the redesign of the PrimeLending Solutions and Bangpop websites, enhancing visual appeal and user experience.
